## WHAT YOU'LL SEE

- \* HF radio stations - running for 24 hours straight.
- \* Voice, Morse code, and digital modes.
- \* See how amateur radio keeps the country connected when other systems fail.
- \* Walk in, ask questions, and try a microphone!  
- all in 24 hours!

## FIELD DAY IS...

- \* A nationwide emergency preparedness exercise
- \* A test of our skills and equipment
- \* A chance to work fellow operators across the country
- \* Fun, learning, and community - all in 24 hours!

**GET ON THE AIR WITH US! EVERYONE IS WELCOME!**
