Winterfest® observations

First of all I want to personally thank you all for supporting your club at the 2005 *Winterfest®* last month. More than a hamfest and computer show it's a great chance for us all to get out of the shack and get a face to face with the guys you haven't seen for a few months and in some cases a few years!

All in all we had about 200 attendees coming to see about 60 tables of various hamfest rare and exotic stuff being recycled from one hamshack to another. A great time was had by all.

Another thing that happens at the *Winterfest®* is a chance for hams to renew their membership and for others to join us in the best ham radio club in Northeast Ohio. Let's welcome the following calls to the NOARS roster:

WD8AJF Dan - KB8CUJ Ted - KB8FBI Wes
K8SVT Marlin - KA8VTV John - KC8YLB Ruth
WELCOME ONE AND ALL!!

The 50/50 raffle was won by WD8AJF!
The mobile check in was taken by K8GIM.
The main door prizes were taken by:

#1 K8SVT Marlin - ALINCO DJ-C7T Mini HT
#2 WA8CAE John - Bearcat BC278CLT Scanner
#3 K8VCP Mike - 2 Tickets Dayton Hamvention

Hourly door prizes were supplied by ARRL and some attending vendors.

All in all another very successful NOARS event
Thanks again for all YOUR support and help

This will be your last copy of the NOARS log! Your dues are due January 1 but as a courtesy we send you a copy of the news letter for three months. As some of us (like me) tend to procrastinate. TWO AMATEURS RECEIVE PRESIDENT'S VOLUNTEER SERVICE AWARD

Two radio amateurs have received the President's Volunteer Service Award. President George W. Bush personally presented the award to Thomas J. "T. J." Powell, N8UIR, of Northfield, Ohio. Powell, is an active volunteer with the Northeast Ohio Medical Reserve Corps, a partner program of Citizen Corps, which provides medical support services for public events and emergency situations. As chief of NEOMRC and a certified emergency medical technician, Powell volunteers 800 to 1000 hours per year, helping with logistics, planning, amateur Radio operations and first-aid for charitable fundraising events throughout Northeast Ohio. In addition, he assists local fire departments and emergency medical service agencies during incidents that impact public health. Bush made the presentation during a January 27 visit to Cleveland.

The White House also honored ARRL member John H. Bauer, W4AWM, of Burke, Virginia, with a President's Volunteer Service Award. Bauer received the award January 29 in recognition of more than 500 hours of volunteer work in the Volunteer In Police Service (VIPS) program. Bauer is assigned to The Crime Prevention Office of the West Springfield District Station, Fairfax County Police. "My assignment consists of many public relations and administrative duties as well as participating in various training drills for SWAT teams and other police activities," he explained. Presenting Bauer's award during a ceremony for himself and other recipients was the Fairfax County Chief of Police. Bauer also received a certificate of appreciation from the Fairfax County Police Department. Bauer says he always wears his call sign belt buckle when on duty, that's resulted in his meeting two police officers who also are hams. The buckle also invites questions from people who want to know what it represents. "This is a great door opener to talk about my favorite hobby," Bauer said.

NEWS FLASH (Possible New One!)

Members of the American Samoa Amateur Radio Association (ASARA) have announced a DXpedition to Swains Island (IOTA OC-200) to take place March 2-6th.

3Y0X, PETER I ISLAND (Op Postponed until 2006!)

The following press release was sent out February 27th by Team co-leaders Ralph Fedor/K0IR and Bob Allphin/K4UEE: "PRESS RELEASE #14 - I am afraid we have bad news. At 1 AM local time today we learned that our charter vessel, the Cavendish Sea, had not yet sailed from the port of Comodoro Rivadavia. The Cavendish Sea was to sail to Ushuaia to pick up the Dxpediton team and their equipment on Friday, Feb 18th. We were to sail before noon. Because they have delayed their arrival until Sunday, and with a projected Monday departure, we have simply run out time. This latest delay on top of numerous previous delays, simply makes it impossible for us to spend a sufficient amount of time on Peter I to justify the DXpedition this year. So, we have no choice but to postpone the DXpedition until 2006. We believe it is essential to allow enough time on Peter I to justify the monetary investment made by the team members, our sponsors, individual contributors, DX Clubs, DX Foundations. After having the first vessel, the Antarctic Dream, default on their contract with us, then the helicopter company default on their contract and then after putting everything back together with an new boat and helicopter on this past Tuesday, the team has been on quite an emotional rollercoaster. Our sincerest thanks to everyone for the encouragement and support you offered us during this time....."Thanks, Bob Allphin, K4UEE Ralph Fedor, K0IR
