Welcome To N.O.A.R.S

WOW!

What a summer! And it isn't over yet! By moving NOARSFEST up a week it seemed like I was just unloading the van from Fieldday and I was reloading it for NOARSFEST. Gee! But all in all it was really worth it!

NOARSFEST 07! Once again a great success! Thanks to all who busted their (expletive deleted) for you! Just a short list of all who helped. KA8VTS - Darlene, W8KYZ - Tom, N8CX - Al, N8OFS - ANDY, W8KRF - Carl, K8JWS - John, N8PZD - Clark, KC8VFE - Dick, KD8GKA - Mark, KD8SC - Rosemary I'm sure I've missed a few and I sincerely apologize. The event was a big success. Perfect weather, good crowds, and a busy Flea - Market made the show a very rewarding event. Gate sales up about 17% Flea - Market spaces up a whopping 48% major improvements all across the board. With the rising cost to put this show on our overall funds raised were up by around 11%

In my humble opinion I think any one who showed up were the real winners. But of course there is a list of major door prize winner: 1st Prize 2 m. mobile Yaesu FT-2800M/65watt won by :KC8ATR Shirley Whitney - 2nd Prize 2 m. HT Kenwood TH-K2AT/5 watt won by: KD8CDC Jacob Wagner - 3rd Prize 2 m. HT Yaesu VX-150/5 w. W/2 Batteries won by: N8MPF Ron Pecora - ARRL Antenna Handbook 21st edition won by: W8MAX Richard Wooden - Two (2) tickets to Portage Hamfair 07 won by: KI8L Jim Schmitkons.

Closing out the Hamfest news W8KYZ Tom Reports that he signed up a new member at the event. All in all not that newsworthy but here's the rest of the story: W8AJZ Ernie was attending his FIRST Hamfest in his 60 years as a ham. And was so pleased at the event he decided on the spot to join us. A big huzza to Ernie and I'm sure that all of us wish him many more Hamfest in the future.

Best 73 and CUL..... **John**

Minutes of the July 16, 2007 Meeting
Submitted by: Darlene Ohman, KA8VTS

The meeting began at 7:35p.m. with 18 members and guests present.

Treasurers Report: Tom Porter, W8KYZ was read and a motion was made and seconded to accept the report. The motion was passed.

Secretaries Report: Darlene Ohman, KA8VTS, a motion was made and seconded to accept the minutes as printed in the newsletter. The motion was passed.

Educational Committee: John Schaaf, K8JWS, we are taking a break until after summer. We are going to have a general class in the fall. We have to decide some things before we can proceed. We will have more information at the next meeting.

Newsletter and Membership: John McKenna, WD8IQJ, everything is going well. At Noarsfest we received a total of 4 renewals and new members.

Nets: John McKenna, WD8IQJ, the nets are going along very well. We still need some help on the Thursday night Tech Net. Tom Porter is doing the first week, but we could use someone on the third week. If you would like to try it please contact me.

Sunshine: Rosemary Shook, KD8SC, a card was sent to Jim Henderson, N8MPC.

Web Site: John Schaaf, K8JWS, is working on a new home page.

DX: Al Moriarty, N8CX, was not in attendance.

Repeater: Clark Beckman, N8PZD, nothing to report.

Field Day: The total contacts were 395. Our total score was 1910 after everything was factored in.

Noarsfest: We had a very good hamfest. There were more people and more fleamarket this year compared to last year. We had a cake for Andy Sargent, N8OFS for his 40th birthday. I want to thank everyone that came out and helped. I really appreciate everything that you did to make the hamfest a success.

Old Business: We had a request from the American Cancer Society in Cleveland; they need some amateur radio operators to provide communication for the Pan Ohio Hope Ride scheduled for August 9th through the 12th of this year. If you would like to participate please call Al Moriarty, N8CX.

New Business: We had a discussion regarding having Noarsfest at the Lorain County Fairgrounds or looking into having it somewhere else next year.

Next meeting is the picnic which will start at 6:00 p.m.
Everyone bring your family and a covered dish.

The meeting was adjourned at 8:40 p.m.
