THE NORTHERN OHIO AMATEUR RADIO SOCIETY K8KRG

January, 2008 Volume 44 Issue 1

Welcome To N.O.A.R.S

←————→
*Happy New Year from all
of us at NOARS*

Looking back over the last years events at the front table, and in fact over the last few years at that position. I am proud to say that I've seen our club showing a very promising positive trend. We've gotten a lot done making NOARS a bit more streamlined and a lot more member friendly. The most positive thing I've seen come thru is the crop of new guys that have been mostly the fruits of the very dedicated individuals that are the educational committee. They are the guys who've seen the promise of the relaxing of the code requirements, instead of seeing it as a detriment to amateur radio. As a great asset to be cultivated. We are now seeing the results. New members and new hams. Not just names in the roster. But good people who have taken and active role as real members in the Northern Ohio amateur radio community. Three cheers to the education committee. Many thanks from all of us.

Now for the first time in a long time I'll get to sit in the audience and watch the current executive committee, pick up the ball and run with it. Lots still remain to be done. And I can speak from past experience. Its not the people at the front table that gets it done. No indeed. It's the guys out there in the trenches. The guys up at 3am making CQ's on a cold field day night and the ones standing in the heat out at the gate at NOARSFEST. Those are the ones I take my hat off to. As usual the membership is the tail that wags. And the front table will be once again privileged to be the dog that get the wagging.

Sitting and looking out the window in the shack. It's a dreary rainy pre Christmas afternoon. I have to hope that all of us got what we wanted for Christmas. (*notice I did not say "what we deserve"*). But I also am reminded of all those who are less fortunate than us. For them today is just another rainy dreary day. To them Christmas is just another day. Please remember what the real reason is for the season. Its about charity. Its about holding out that helping hand. Give of yourselves. But don't forget that the holiday week is just one of fifty-one other weeks. And It's those weeks that need to be brightened up a little too.

Best 73 and CUL.....

John

146.700 Has Two NOARS Nets For You!

The 9:00 Pm Wednesday Night Rag Chew Net

One of the longest running two meter nets in northern Ohio! You all are welcome to this informal friendly net.

Hosted by: WD8IQJ - W8KYZ - WD8OFG - N8CX - K8JWS

The 8:00 Pm Thursday Technical Discussion Net.

You don't have to be a techno-geek to enjoy this friendly net slanted toward the technical side of the hobby.

Hosted by: W8KYS & W8KYZ

Where's the DX?Taken From *KB8NW Tedd's OPDX Bulletin*.NOTE! This is but a very small part of the complete OPDX Bulletin that can be found at www.papays.com/

The Ohio/Penn DX bulletin now has a new FAX number

Contributors can send DX information to: 1-419-828-7791 FAX only!

- 3D2/R, ROTUMA -- Tony, 3D2AG, reportedly has made it to Rotuma Island and has been busy with his work assignment. By the time you read this he should be active as 3D2AG/p until end of January. Logs will be sent to Sam, FK8DD, and will be posted on: <http://www.3d2ag.fr.tc/>
- 3Y, BOUVET ISLAND (AN-002) -- Operator Petrus, ZS6GCM, is expected to be active as 3Y/ZS6GCM from Bouvet Island, probably for the next three months. He is with a five member team on the island and is their medic. The operator does have a vertical antenna for 40/20/15/10 meters but no amplifier. He is also a newly licensed amateur and has no experience in pile-ups. So, please go easy on him. Activity will be during his spare time only
- 5H, TANZANIA -- Pat, W8FV, will be returning to Mwanza sometime this week (possibly December 20th) and is expected to be active as 5H9PD until he returns stateside January 12th. Activity will be mostly on CW on 40-10 meters depending on propagation. He is going to try 80 meters but with only just 100 watts, and he doesn't know how successful he will be. He will also be active on PSK31. QSL via his home callsign.
- 6W & J5, SENEGAL AND GUINEA-BISSAU -- Peter, HA3AUI, will once again be active from Africa and will also activate again both Senegal (as 6W2SC) and Guinea-Bissau (as J5UAP), between January 15th and April 15th. His activity from Senegal (6W) will be mostly Digital with some SSB on 160-6 meters. Activity from Guinea-Bissau (J5) will be on 30-10 meters. His operations will be limited to his spare time and possibly other available longer periods. QSL via HA3AUI direct, by the bureau, LoTW or e-QSL.
- E4, PALESTINE -- Operators Mike/OM2DX, Steve/OM3JW, Rudy/OM3PC and Miro/OM5RW are now active as E4/OM2DX until December 22nd. As this was being written, they were pleasing many on 160 and 40 meters. Look for them to be active on all bands from 160-10m using CW, SSB and RTTY with two stations. QSL via OM3JW. Updates and online logs are available at: <http://www.om2dx.com/e4.html>
- E100, IRELAND -- Look for special event station EI100SI to be active from January 1st to December 31st, 2008, to celebrate the 100th anniversary of the Boy Scouts in Ireland. QSL route will be posted on (QRZ.com).
- FO/M, MARQUESAS ISLANDS -- Operators Jouko/OH1RX, Pertti/OH2PM, Veijo/OH6KN and Juha/OH8NC will be active from Nuku Hiva (OC-027), January 9-22nd. Activity will be on 160-10 meters with a maximum of three stations running. However, they plan to concentrate on 160-30 meters.
- LZ130, BULGARIA (Special Event) -- Members of the Balkan Contest Club LZ1KZA (LZ5A) will activate the special event callsign LZ130LO from January 1st to March 31st (2008). Activity is to commemorate the 130th anniversary of the liberation of Bulgaria from Ottoman yoke by Russia. QSL to LZ1KZA via Bureau. QSLs are printed by Gold Print Service - <http://www.lz3hi.com>

Please Note: This is only a SMALL part of: OPDX Bulletin #837

Mission Statement.

The Northern Ohio Amateur Radio Society

Is a public service organization with the purpose and goal to enhance the Amateur Radio Service through education and fellowship.

- Meetings are held at 7:30 p.m. sharp on the third Monday of every month at:
GARGUS Catering Hall - 1969 North Ridge Road Sheffield, Ohio.
- The meeting are open to the public. And all are welcome. Tune to the 9:00 pm. Wednesday night NOARS net on the 146.700/444.8 Mhz. repeaters on the E.S.T. bank Building in Elyria, Ohio for changes or updates in this schedule. Also the 146.700/444.8 repeater hosts the technical discussion net on Thursday Night at 8:00 pm.
- N.O.A.R.S. Repeater Can be found at 146.700 (-) - 444.8 (-) in Elyria, OH. and 145.15 (-) In North Royalton OH.. (although the 5.15 is down for maintenance at this printing)
- Regularly scheduled NOARS nets are every Wednesday night at 9:00 pm on 146.700 for the rag-chew net and every Thursday night at 8:pm for the technical discussion net. All licensed amateurs are welcome. NOARS membership is not necessary
- NOARS can be found on the World Wide Web at: <http://www.noars.net>
