## Welcome To N.O.A.R.S

### NOARSFEST 2008

Summer in NOARS country, you just have to love it! Just as we get our shacks back together after field day. (Or do we?) It's NOARSFEST time. Time for us to drag out all our good "Junque" and recycle it into new homes. I for one have a major portion of my shack outfitted with this good stuff. Many a good deal is there for anyone who just takes the time to look. And for some reason NOARSFEST has been a very productive hamfest for this hams shack.

While I'm on the subject of our... no YOUR hamfest. I need to point out that this is the big one, in your clubs activities. It's success is vital for your clubs ability to do what NOARS is known for. And that's (in my opinion) give you one of the most diverse radio societies in northern Ohio. Repeaters, websites, ham classes, picnics, operating events, Christmas parties, Dxpedition sponsorship and our ability for charitable contributions to LOCAL charities. All depend on the success of NOARSFEST. And guess what? YOUR participation is the key to it!. NOARS needs you! Come on out. Put in an hour at the gate. Help with setup on Friday. Help with operations. We need people just to help direct traffic this year. YOUR hamfest's success depends on you! So you can't stand at the gate? And you can't get around in the parking lot? That's ok! You can contribute in one major way equally as important. Just come on out, enjoy a great hamfest! That's all you have to do. Talk up the hamfest on the radio. Bring your friends out. Carpool take advantage of our carpool discount admission rate. Beat the greedy money grubbing oil companies. What's the worst that can happen? A nice summer day and a chance to enjoy one of the summer classic hamfest. I'll see you there for sure. Just look for me at the main booth.

Field Day! Well at this writing its still a week away but I wont be stretching the truth that it was a great success by the time you get to read this. How do I know this? Trust me! With the crew YOU have out there in the field you could be sure of a great field day even in a snow storm. Thanks to all who came on out. And enjoyed the field day party in NOARS country.

P.S. Looks like "Times New Roman" beat out "Tahoma" for the font of preference for the newsletter.

Best 73 and CUL..... **John**
