October, 2010 - Volume 46 Issue 10

Welcome to NOARS

Well, I just had my heating system serviced and the ducts and vents cleaned, so that can mean only one thing: It ain't summer no more. Excuse the poor grammar, but it is the truth. As Hams, it is time to winterize our antenna and feedline system, too. If you are not able to do so on your own, I am sure if you ask nicely, our Antenna Party Committee will assist.

I hope many of you were able to get to the Cleveland Hamfest on Sunday, September 26. It was a bit bigger and the attendance seemed to be up this year. The weather cooperated, too. Thanks to those who manned the NOARS table and those who stopped by to say, "Hi." It was great to see our friends whom we may only eyeball with once a year. We signed up at least one new member and we welcome him. See the Membership News page below.

I performed my duty at our last meeting and appointed the Nominating Committee consisting of Bob W8RET, Frank W8FJR, John WD8IQJ, and Angela KD8MUW. They will be contacting you and requesting your input as to who you would like to nominate as officers for 2011. They will present their slate at the October meeting. We will also take nominations from the floor. Elections will be held during the November meeting. So, give some thought to who you would like to see at the front table. Get involved because this is your organization.

Also, keep in mind that our annual Holiday Banquet is rapidly approaching. There will be more particulars in the November issue of the NOARS Log and on the website.

Until next month...

73,

Carl W8KRF
