August, 2011 - Volume 47 Issue 8

Welcome To NOARS Country

What a wild summer so far. We have all our major events behind us, at least for a while. Our next event is the Winter Hamfest. It is never too early to start telling people about it. It will be at Gargus Hall again this year on February 5, 2012, so pass the word.

Field Day was fun and we did nearly as good as last year. The turnout was pretty decent and the food was delicious as usual. Thanks to everyone who brought food and beverages. It was good to see new faces as Band Managers: Alex N8QL on 20 meters and Larry KD8MUV on 40 meters. Steve and his 15 meter crew did a phenomenal job. I noticed some of us older folk were kind of slowing down a bit. We really need to recruit some younger people and bring some vitality into the club.

It is August, so this month we get to enjoy each other's company at our annual NOARS picnic at the Duck Pond. Bring your spouse or significant other, your children, grandchildren, family and friends. We'll try to get the fires going a little sooner this year so we can all eat together. Oh...bring a covered dish or dessert to share. We'll provide the hamburgers, hotdogs and all that goes with them, as well as, pop and water.

That is it for this month. But, before I go...if you want to access a whole bunch of neat links with tons of information, go to Tim's NC8X website at <http://www.nc8x.com>. Thanks Tim for a great resource for ham radio operators.

Special Olympics News
By: Julie WD8ADE

Barry Hubbard N8VTY, Neal Hubbard WD8NZR, Joel Wilmer W8WFQ, Julie Wilmer WD8ADE, Brad Lovejoy KD8DWK, Mary Burse KD8NGC and Fred Heyse N8AHS gathered at Ely Stadium on Friday, May 20 to provide communications assistance for the Special Olympics. The group members were stationed at various events and in the press box. During the Olympics they relayed information to the press box including upcoming events, missing athletes, general announcements and relay information. This year the Special Olympics went on as scheduled despite the previous month of rainy and cold weather and the day was perfect. As always it is wonderful to see the athletes' smiles as they complete their events and their pride in their accomplishments. Thanks to all who volunteered to help at this event!

Amateur Radio Cruise-In Planned!

The Portage County Amateur Radio Service (PCARS) invites amateur radio operators from Northeast Ohio to join us on Wednesday, August 17th at our Third Annual Amateur Radio Cruise-In at the A&W Restaurant, 769 East Main Street in Ravenna. The event will run from 5:00-9:00 p.m.

This year there will be awards for the most unique as well as the ugliest mobile radio installation as well as a special award for the furthest DX contact made by a mobile HF station from the A&W between five and seven p.m. The awards will be presented around 7:30 p.m.

The Cruise-In is a lot of fun and a great way to show off that mobile installation that you are proud of and to learn more about how other hams have installed a variety of mobile rigs and antennas. Talk-in will be on the 146.895 (-offset, 110.9 PL) repeater. More information can be found at www.portcars.org.

Hooray! WHAT-A-HAMFEST!!!!

I want to pen a big thanks to Darlene KA8VTS! Once again another good job assembling a great staff and putting on a great show! When we decided to move the Hamfest from the fairgrounds In 2007 we had heard great and ominous tidings of gloom and doom! "This is the end!", NOARSFEST will fade away!" and "I wont be going to THAT hamfest anymore!" well it was nice to see that guy at the Hamfest this year, and even he had to say that being in a air-conditioned oasis instead of a smelly hot barn was an improvement! Every once in a while its good to say "I told you so!" in my estimation and reflecting on my experience of attending and selling at a lot of hamfests over the years. I have to say NOARSFEST 2011 was a very pleasant experience. And a GREAT change for the better over the last few at the barn in Wellington. So once again a big DIT DIT for the hamfest crew! And for the guy that did all the whining. Welcome back to NOARSFEST! Its back and getting better!

Rant Department!

Sigh! Well its that time again I'll have to slave over a hot stove and whip up some of my "atomic beans" which means its that time again! PICNIC!!!!

Here goes the diet again ☹ So DON'T go to the police station this month for the meeting! It won't be there! Instead come on out to the Duck Pond in Carlisle Reservation. Bring your family! Bring the friends its time to have a good time. On NOARS we will supply beverages (soft), weenies, burgers and buns! All you have to bring is an appetite! ...Well if you want to bring a covered dish for this affair (they are the real stars of this show)! This is one event you don't want to miss!

Just a quick note! The next formal meeting is going to be in September and that's the one where we start the election process for the 2012 officers. Its one of the more important meetings! So I recommend you dot miss it!

Net News

- 10 meter net QSY! Now on 28.370 mhz.

Minutes of the July 18, 2011 Meeting Submitted by: Darlene Ohman, KA8VTS

The meeting began at 7:30 p.m., 23 members and guests present.

- **Treasurers Report:** Tom Porter, W8KYZ, a motion was made and seconded to accept the treasurers report as given. The motion was passed.
- **Secretaries Report:** Darlene Ohman, KA8VTS, a motion was made and seconded to accept the minutes as printed in the newsletter. The motion was passed.
- **Education Committee:** Carl Rimmer, W8KRF, nothing is going on right now. We will have to look into starting a class.
- **Newsletter:** John McKenna, WD8IQJ, if you have anything that you want to put in the newsletter; get it to me before the last week of the month. If you are not receiving your newsletter, let John know. (WD8IQJ@noars.net)
- **Membership:** Julie Wilmer, WD8ADE, we received three new memberships at Noarsfest.
- **Nets:** Harold Drake, K8HRD, was not in attendance, but the Wed. & Thurs. nets are doing well. Tim Allen, NC8X, the Tuesday night net is going well. John McKenna, WD8IQJ, the digital net on Monday is going well.
- **Sunshine:** Frank Reese, W8FJR, Dave Williams, W8DTW passed away on July 6th from MS. Clark, N8PZD, made a motion to donate \$50 in Dave Williams's memory to Lorain County Community College Foundation. The motion was passed.
- **Web Site:** Carl Rimmer, W8KRF, I have been keeping it updated.
- **DX:** Al Moriarty, N8CX, check the ARRL DX Bulletin, there is a lot of information in it. There is going to possibly be a dxpedition on Nuru Island around July 24th or 27th.
- **Repeaters:** Steve Robbins, WB3JVK and Clark Beckman, N8PZD. Clark, 5.15, I will be redoing it. I have been having a hard time connecting with the guy with the antenna.

Old Business:

- **Special Olympics:** We had seven people that came to help out. We all had a good time.
- **Field Day:** We did quite well this year. The total QSOs was 596, which was the same as last year. With the multiplier it gave us 1.192 points, same as last year. We got 820 bonus points. The total points were 2,026.
- **Noarsfest:** We did well. We had enough people that helped out. The speaker Dr. Jack Nielson from MP Antennas went very well, 35 to 40 people attended. **Dee, KA8VTS, I want to thank everyone who helped out.** Go to the web site, go to the guest page and leave your comments and/or suggestions.

New Business:

- **Picnic:** August 15, 2011, bring a covered dish or a desert. The club will supply hot dogs, hamburgers, drinks, plates and plastic ware.
- **A motion was made:** that we provide the use of our repeater 146.700 to enhance emergency communications to the Lorain County Amateur Radio group, at American Red Cross in Elyria in case their repeater goes down. The motion was seconded and passed.
- **Banquet:** The place where we had it last year is closed. We will check out some different places. A report will be given at the September meeting.

The meeting was adjourned at 9:02 p.m.

[PG6HK](#) - During the International Lighthouse and Lightship Weekend (August 20-21st) the special callsign PG6HK will be on the air and will be active from the old lighthouse in Harderwijk [aka De Vischpoort](NL0038, NET-162), Netherlands. The team will be active on several modes on HF and VHF. Operators mentioned are Cil/PA1RBZ, Gert/PA2LO, Michel/PD0JMB, Ben/ PD0PDB and Jack/PD2J. QSL via PA2LO. For more details, see: <http://www.PG6HK.com/W7KXB> - Bill, [W7KXB](#), will activate Patos Island Lighthouse Station (ARLHS USA-584, ILLW USA-123) in Washington for the first time ever August 6-7th. QSL via his home callsign.
- **PJ7, ST. MAARTEN** - Isao, JH1ROJ, will be active possibly as PJ7ROJ from Sint Maarten (NA-105) between August 18-25th. Activity will be on all HF bands using CW and SSB. He will use a FT-450 with a 500w amp into a HF6V and 2 element beam for the higher bands. QSL via his home callsign. Log will be uploaded to LoTW after the operation.
- **ST0, SOUTH SUDAN (Update)** - Amateur radio is now active in the South Sudan, the world's newest country, as well as the 193rd member of the United Nations and new DXCC entity. First signals were heard on July 22nd. Co-leader Paul, N6PSE, reported on July 23rd, that the teams arrived in Juba on July 22nd.. All stations should be QRV tomorrow (July 24th) until August 10th. They hope to have five stations on the air operating simultaneously in the coming days. They announced on the 24th that the new TX frequency for 20 meters is 14145 kHz, RX from 14200 kHz and up. For more details and updates watch: <http://www.dxfriends.com/SouthernSudan2011> As this was being prepared, their logs showed (at 1112z, July 24th): 9695 QSOs with 4796 unique callsigns. QSL via EA5RM direct. Their OQRS will be activated after the DXpedition. Online log is available on the Web page.
- **T6, AFGHANISTAN**- Francesco, IZ8NWA, an Italian soldier stationed in southern Afghanistan until November 2011, is expected to be active as T6FR. Activity will be on 20/17/15/10 meters using SSB and PSK31. QSL via IZ8OJG only. Visit his Web page at: <http://iz8nwa.jimdo.com>
- **ZB2, GIBRALTAR** - Astronaut Edmondo, VA3ITA/IW0GVP, will be active as ZB2/VA3ITA from Gibraltar between August 8-11th. Activity will be on 6 and 2 meters only, using CW, SSB, the Digital modes and the satellites. Edmondo is willing to make skeds. Please check his (QRZ.com) page for his E-mail address and updated information. QSL via VA3ITA, direct or by the Bureau.
