Welcome To NOARS Country

I welcome the cooler temperatures but do not like what it forewarns. It is time to get your pre-winter antenna work done. Check the connections and guy wires. While I am on the subject of antennas, I would like to take this opportunity to thank those of you who are able to help other members with their antenna installations. In my case, Tim NC8X, Alex N8QL, Alan KF8PM, Bob W8RET, Gary KD8KAA, Frank W8FJR, Harold K8HRD, Mark W8FAN, Steve WB3JVK, Joe KD8MUX (and I am sure I have missed someone) are members who have personally helped me with my antenna work. What is really very satisfying is the fact that twice now after installing my satellite system, they have had to come back and re-do it because of my oversight or mistake. Most recently, Tim, Alex, and Alan worked very hard to install two pre-amps on my satellite antennas which only two days later failed to perform because of a short in the power feed. They are already working on coming back over to replace the cable. Thank you all for making this hobby so rewarding for me and others whom you have helped.

How about that Cleveland Hamfest? I really enjoyed myself. It was so nice seeing everyone. Dee Dee and I manned the NOARS table (well, actually, Dee Dee held down the fort most of the time). I was able to attend the ARES/Skywarn Forum and was very disappointed with the turnout. There may have been one or two new faces there. Everyone else at the forum had already been active so it was like preaching to the choir. I personally would like to see more hams get involved in those two organizations. It is very rewarding and fun. If you live in any of the District 10 counties, and would like to join ARES, please go to the District 10 website at <http://cms.ohioares10.org/> and click on your county tab.

Remember that we have changed our meeting location to Gander Mountain's Gander Lodge and we will be starting the meetings at 7:00PM. Go to our website at <http://www.noars.net> for more details and directions. The October meeting is nominations of 2012 officers. Please join us and become involved in the process.

Until next month..... **73,**

Each month CQ magazine has a "Reader Survey" and John's postcard was drawn from "hundreds" received by CQ.

(Just Rants And Raves From Cleveland)

Rave Department

Once again I'm surprised by the resilience of the NOARS crew! At 6:30 pm. Monday night (the meeting night) we learned that the meeting place was taken! And occupied by another group! Only 30 minutes before the meeting and no place to meet! Not only the business meeting but we had a volunteer speaker on his way with a very nice presentation on cutting edge technology! Now that's what I call a kick in the diodes! Most organizations would get up from the table and call it a night. But wait! This is ham radio! Not some wimpy outfit! We are tough and making it work is just one of the things we do!

We had this happen before! Remember a couple of field days we got put out by flooding? The was just one of those things that professional amateurs deal with! By 7: 00 pm. we were set up with a new meeting spot! In just THIRTY (count em 30) minutes! Problem solved! Ho hum just another day. Well just another day indeed with this crew anyway!

Three cheers for the folks that make NOARS the best club in area!

Rant Department!

Well this is kind of a pre-rant. But it's based on about 30 years of experience in the community! Well it's that time! We in a democratic society have once a year the responsibility to pick our leaders and shape the future of NOARS. So it's time to step up folks. Come out to the meeting next month and let your voice be heard. Help us we need your input! We need your expertise. Keep NOARS the great club it is!

NODIG NEWS:

Northern Ohio Digital Interconnect Group Launches Ohio's First Ratreflector for State Wide Use

The Northern Ohio Digital Interconnect Group is pleased to announce the launch of the state's first D-RATS Ratreflector intended for statewide use. This reflector will augment NODIG's own growing D-STAR infrastructure as well as provide more services to its affiliates and linking partners.

This will provide additional digital tools to the casual D-STAR user as well as groups like ARES, RACES, Skywarn, and EMA offices. As with other NODIG projects many redundancies are build in to insure the systems remain up in the most extreme instances.

D-RATS has the ability to be used with local RF or via internet linking. It supports such things as instant messaging, file sharing, radiograms, asset tracking, real time map overlays, Email, HICS260 & ICS213.

D-STAR is growing by leaps and bounds. NODIG is committed to remaining on the cutting edge providing first responders, storm chasers and the casual ham reliable digital options to add to their analog RF tool box. Please visit our website, www.nodig.us, to learn more about D-STAR and D-RATS.

Minutes of the September 19, 2011 Meeting**Submitted by: Darlene Ohman, KA8VTS**

The meeting began at 7:30 p.m., 28 members and guests present.

- **Treasurers Report:** Tom Porter, W8KYZ, a motion was made and seconded to accept the treasurers report as given. The motion was passed.
- **Secretaries Report:** Darlene Ohman, KA8VTS, a motion was made and seconded to accept the minutes as printed in the newsletter. The motion was passed.
- **Education Committee:** Carl Rimmer, W8KRF, nothing is going on right now. We will have to look into starting a class.
- **Newsletter:** John McKenna, WD8IQJ, if you have anything that you want to put in the newsletter; get it to me before the last week of the month. If you are not receiving your newsletter, let John know. (WD8IQJ@noars.net)
- **Membership:** Julie Wilmer, WD8ADE, not in attendance.
- **Nets:** Harold Drake, K8HRD, Wed. & Thurs. nets are doing well. Tim Allen, NC8X, the Tuesday night net is going well. John McKenna, WD8IQJ, the digital net on Monday is going well.
- **Sunshine:** Al, W8AWM, passed away in August.
- **Web Site:** Carl Rimmer, W8KRF, I have been keeping it updated.
- **DX:** Al Moriarty, N8CX, 10 & 12 meters are wide open.
- **Repeaters:** Steve Robbins, WB3JVK and Clark Beckman, N8PZD. Steve, by the time that 5.15 is back up, we should have 6.70 & 5.15 repeaters linked. Clark, I will be putting the 5.15 repeater back up sometime this week.

Old Business:

- **Banquet:** We are having the Banquet at Sugar creek Restaurant. The tickets are \$18.00 & \$11.00 for kids. This includes tax and tip. Go to the website and details and to make reservations.

New Business:

- **Nominating Committee:** Bob Tome, W8RET, Frank Reese, W8FJR, John McKenna, WD8IQJ & Ray Smith, W8ADV will be on the nominating committee. Next month they will come back with a slate of people to run. There should be at least 2 candidates for each office.

The Ohio Single Side Band Net in Findlay made an announcement, there is a new program, and it is called Neighbor Ham Watch. There is a new effort for hams to associate with their neighbors and let them know your capacities to help in an emergency.

The meeting was adjourned at 8:50 p.m.

- **2M. SCOTLAND (Satellite Op)** – By the time you read this, Paul, 2E1EUB, will once again be active as 2M1EUB as for 14 days until about October 8th, weather permitting. The first week will be from the Island of Skye (western Scotland, IOTA EU-008, IOSA NH07, SCOTIA CN14, WLOTA 1626). The second week will be from the eastern side of Scotland in the Cairngorms National Park (WFF GMFF-001). Activity will be on 160m, 80m, and the satellites, as well as 2m SSB. Checkout QRZ.com under 2M1EUB for more info.
- **7Q. MALAWI** - Operators Rob/GM3YTS and Gav/GM0GAV will be active as 7Q7GM between October 31st and November 13th. Activity will be CW only with a focus on the low bands, especially 160/80m. They are hoping to have an online log available. Look for all QSOs to be uploaded to LoTW as soon they return home. QSL via **GM4FDM. CR3. MADEIRA**. Members of the Madeira Contest Team will be active as CR3A during the CQWW DX SSB Contest (October 29-30th) as a Multi-? entry. Operators mentioned are Joe/CT3BD, Luis/CT3DL, Joe/CT3DZ, Luis/CT3EE, Duarte/CT3EN, Miguel/CT3IA, Tiago/CT3KU, Jose/CT3KY, Jose/CT3NT (CT1BOH) and possibly others. QSL via LoTW.
- **FH. MAYOTTE** Phill, F6GNT, will be active as FH8NX from Mayotte Island (AF-027) until March 2013. Activity will be on 20-10 meters using SSB. QSL direct to: Phillip Ward, 36 Totorosa 2, Labattoir 97610, Mayotte. Also, QSL via eQSL.
- **HB0. LIECHTENSTEIN** - Mek, SP7VC, will be active as HB0/SP7VC between October 25-31st. Activity will be on 160-10 meters including the 17/12m using SSB. He will also be on 6m, if open. Mek will also be active in the CQWW DX SSB Contest (October 29-30th). Equipment will consist of an IC-746, HEX Beam, R-7 vertical, INV-L for 160/80m, 3 element yagi for 6m, an ALPHA 76A and a PA for 6m. QSL via LoTW or his home callsign, by the Bureau or direct.
- **I9. ITALY** - The I9K Contest Team will be active from Sicily during the CQWW DX SSB Contest (October 29-30th) as a Multi-Single entry. Operators mentioned are Giuseppe/IT9HBT, Girolamo/IT9GNG, Rino/IT9FX, Vincenzo/IT9ECQ and Maria/IT9FRA. QSL via IT9HBT.
- **IOTA NEWS - AF-068**. By the time you read this Simon, IZ7ATN, should be active as 5C2SG/p from Herne Island until September 28th. Simon attempted an operation in 2010 from this rare island, the operation was NOT validated by RGSB IOTA Manager. He states that his main goal is:
 - * To fulfill the DESERVING needing AF-068 in their IOTA score, mainly who already made QSO with him in 2010.
 - * Those who sent DIRECT QSL to him for 2010 operation, PLEASE make a NEW QSO!
 - * NO need to send him a second QSL, just drop him QSO details via mail at as he will use your previous contribution to reply you!
 - * Remember: ONLY a new QSO with 5C2SG callsign will allow you to get you a QSL back using the previous request you made!

Simon uses the following operating policies:

 - making more than one QSO you let another station MISS a QSO as he has LIMITED time to be on the island. THINK about it and let others make QSO with him like you did! Those who insist to make MORE than ONE QSO will be later REMOVED from the log.
 - * 5C2SG will ALWAYS split up, usually 5 kHz.
 - * 5C2SG will reply ONLY to FULL call-signs. 2-letter will be IGNORED.
 - * 5C2SG will operate SSB only on 10-15-17-20 meters. QSL via IZ7ATN, by the Bureau or direct (see QRZ.com for more details).
- **LM9L40. NORWAY** -(Special Event/Contest Op) Members of the "Nedre Romerike Gruppe av NRRL" (club station - LA9L) will be active as LM9L40Y through December 31st, to celebrate their 40th anniversary. QSL via LA9L, by the Bureau or LoTW only. No direct! Also, look for Olaf, LB8IB, to be active as LM9L40Y in the CQWW RTTY DX Contest (September 24-25th) from the LN8W contest station in Rakkestad. He will be a Single-Op/All-Band/High-Power entry. QSL via LA8HGA.
- **T32. CHRISTMAS ISLAND** (Reminder) Just a reminder that members of the Five Star DXers Association (FSDXA) will activate T32C from Kiritimati (Christmas Island) between September 27th and October 25th. The T32C team will have no less than 41 operators, some of whom will be there for the whole period, others will be there for the first or second half. At any one time there will be around 30 operators on the island permitting them to operate round the clock on all bands with propagation and other factors permitting, two stations active on each of 80-10 meter bands. Internet access to and from Christmas Island is limited. However, logs will be uploaded to ClubLog (www.clublog.org) on a daily basis and any news posted with be on the T32C website. For more details/updates, visit their Web page at: <http://www.t32c.com>

Please Note: This is only a SMALL part of: OPDX Bulletin #1036 LOG onto: www.papays.com for the rest (Space permitting, only the parts relative to the time of distribution of The N.O.A.R.S. Log Were Included Here)
