## October Meeting Agenda Nomination Committee Report and Announcement of candidates for office in 2013 Part II of the Digital Connection Series

### New Members – Renewals & Upgrades Congratulations To :

#### NEW LICENSEES / MEMBERS

- KD8TCZ Stephanie Kisil – Tech
- KD8TDA Dave Grimm – Tech

Welcome To The New Hams Make sure you say hi when you hear them!

#### UPGRADERS

- KD8JNK Morgan - Now General
- N8PZD Clark – Now General
- WD8IQJ John – Now Amateur Extra

#### RENEWALS

- K8AGW – renewal
- K8SVT Marlin – renewal until 2015
- KA8VTV John– renewal

### Sunshine Committee Reports

#### W8FJR Reports:

I was informed by Tom Porter that Dallas Butcher KC8E was ill and a card was sent to him. Also Bob Super N8HDE who you is suffering from inoperable brain tumors was in Elyria Memorial Hospital for a few days to have some tests, so flowers and a card were sent to him. He was discharged from the hospital I believe on either Friday or Saturday and went home so the flowers were delivered to his home. I hope that everyone else is well.

# Rants N Raves

(Just Rants And Raves From Cleveland)

#### Rave Department

Well another September have come and gone. First off I want to congratulate the VE team at the Elyria Red Cross. I've heard they were very good and professional. But until I upgraded I had no experience. So now I do. So I must congratulate them for a very friendly and professional experience while taking my upgrade test. The last time I upgraded was in Detroit at the FCC field office back in 1977 and I took my test proctored by a very grumpy guy who did his best to make me (and all the rest of the applicants) feel as uncomfortable as possible. Talk about the bad old days! Well, I went and took my upgrade and found it to be a stress free environment and conducive to getting past it as soon as possible! So thanks again to the great VE team. They are a real asset to the ham community.

Well while I'm in a congratulatory mood I have to say "good job" to the others at the testing session. Of course I have to start with my grandkids (sic) Congrats to KD8JNK, now a general and KD8TCZ Stephanie, a new Technician Class ham at age 13. Then my friend N8PZD Clark, now a general! And of course our Elmer (W8ADV's) grandson, Dave, KD8TDA, a new Tech as well.

Nice hamfest last Sunday over at the Cuyahoga County Fair Grounds. The Cleveland hamfest that many of us are involved with went off like it was a success. Despite the weather being typical N.E. Ohio stuff this time of year, the flea market went well and I managed to find some of the stuff I was looking for. It looked like old man weather might have slowed down the attendance a bit. But heck! We just don't make it in the cold damp like we used too! But otherwise it was a very nice hamfest.

#### Rant Department

I hate being in a good mood! When it comes time to write the "rant" part of the column but I'll give it a try. First off, it's nomination committee time again and I find myself as chairman once again. Now usually all I get are refusals to run for office in this organization. And having been on the executive team once or twice, I must say it's not as bad as it seems. Mostly it's delegating jobs and checking up on progress. Not all that hard. So when I or one of the team gives you a call to ask you if you want to run give it some thought, instead of dismissing it.

This repeater stuff is making me crazy! Now we have major antenna issues? Gee! Where is the light at the end of the tunnel on this soap opera?

**Winter hamfest is officially MOVED! let everyone know!**  
**Details appear on page seven of this newsletter!**

### Lorain Co Pumpkin Patrol Needs Volunteers

Pumpkin Patrol is a public safety activity that is scheduled during the days around Halloween. This is a club neutral activity using all hams, CBers, and non-hams from Lorain County and is run in coordination with the State Highway Patrol Post Located in Grafton.

If you are interested in volunteering Please contact James R. Stirzaker at 440-610-2004 or Richard J. Stirzaker at 614-284-7116, or email: [Nighthawk487@windstream.net](mailto:Nighthawk487@windstream.net) for exact dates and times.

**Roll Call: September 17<sup>th</sup> 2012 Meeting:****22 Members And Guests In Attendance**

N8PZD Clark	N8CX Al	W8KRF Carl	W8KYZ Tom	KA8VTS Darlene
W8ADV Ray	KD8DTA David	W8FJR Frank	K8AGW Dan	W8RET Robert
N8BSW Bob	KD8OCV Gordon	KD8MUF John	NC8X Tim	N8QL Alex
K8HRD Harold	KB8ZUN Jeff	WD8IQJ John	N8WPW Don	KD8OCW Jim
	W8KFJ Dave		Brian Dawson	

**Minutes of the September 17, 2012 Meeting****Submitted by: Darlene Ohman, KA8VTS****The meeting began at 7:00 p.m., 22 members and guests present.**

- **Treasurers Report:** Tom Porter, W8KYZ, a motion was made and seconded to accept the treasurer's report as given. The motion was passed.
- **Secretaries Report:** Darlene Ohman, KA8VTS, there were no minutes in August due to the picnic.
- **Education Committee:** Carl Rimmer, W8KRF, nothing is going on.
- **Newsletter:** John McKenna, WD8IQJ, if you have anything that you want to sell, contact me with the items and prices by the beginning of the last week of the month. Check your ads to see if they are still accurate.
- **Membership:** Carl Rimmer, W8KRF, we have a couple of new members.
- **Nets:** John McKenna, WD8IQJ, the nets have all been going well. I need someone to run the first and/or third Thursday night net.
- **Sunshine:** Frank Reese, W8FJR, Rich Cervelli and Bill Isenberg were in the hospital, we sent a card and flowers. Bob Super, N8HDE was diagnosed with tumors on the brain, we sent a card. Dallas Butcher, KC8E, has cancer.
- **Web Site:** Carl Rimmer, W8KRF, I have been keeping it updated. If you have any suggestions, please let me know.
- **DX:** Al Moriarty, N8CX, last Saturday 10 meters was wide open.
- **Repeaters:** Clark Beckman, N8PZD & Steve Robbins, WB3JVK, we will be taking down both antennas and remounting them. 5.15 repeater is running good. 4.70 repeater site is a very good site. We have had some problems with the heat but Tim Allen, NC8X suggested that we put window tinting on the windows. We put it on and now it is much cooler. We also switched from a large iron power supply to a switching power supply and it is running very well.

**Old Business:**

- **Noarsfest:** Everything went very good. The attendance was down. We need something to draw people to our hamfests.
- **Picnic:** The weather turned out to be really good. Everyone seemed to have a good time.
- **Incorporation:** The club is incorporated.

**New Business:**

- **Winter Hamfest:** We are looking into the VFW hall on Abbe Rd. More information will be forthcoming at the October meeting.
- **Nominating Committee:** The nominating committee will consist of: Frank Reese, W8FJR, Bob Tome, W8RET, John McKenna, WD8IQJ, and Alex Pasini, N8QL.

**The meeting was adjourned at 8:07 p.m.**K

## Where's the DX? Taken From *KB8NW* Tedd's OPDX Bulletin.

### OPDX # 1080

- **3D2/C, CONWAY REEF** ~ a large multi-national team of 19 operators will arrive on Conway Reef (OC-112) located in the South Pacific Ocean on September 26th, and complete their DXpedition on October 5th. Activity will be on 160-2 meters using CW, SSB, RTTY, SSTV and PSK31. Suggested frequencies were in OPDX.1045. QSL via YT1AD, direct (w/SAE or SASE + 1 USD for normal postage, 2 USDs for Airmail), by the Bureau or use the OQRS on the Web page. For more details and updates, visit the 3D2C Web page at: <http://www.yt1ad.info/3d2c/index.html>
- **5H, TANZANIA** ~ Harald, DL7VSN, will once again be active from Tanzania between September 23rd and October 13th. Activity this time will be from two locations (dates not provided) using the following call signs: 5H1HS from Zanzibar Island (AF-032) and 5H1HS/3 from Lazy Lagoon Island (not an IOTA). Operations are usually 160-10 meters using mainly CW and RTTY. He will use various dipoles with 100 watts. QSL via his home call- sign. Visit his Web page at: <http://www.usql.net/dl7vsn>
- **IOTA NEWS ~ AS-136.** Operators Dale/BA4TB (Leader), Mi/BD4TQ, Tim/BD4TJ, Ni/BD4TR, and Zhou/BG4TVT will be active from Hengsha Island between October 1-4th. Activity will be on 40-10 meters. QSL via their home call signs. - **EU-114.** Members of the Martello Tower Group (G0PKT) will be activating the Island of Herm as G0PKT between October 4-8th. Herm is one of the smallest Channel Islands, and although it's part of the EU-114 IOTA group, it's not activated very often. Activity will be on 80/40/20/15/10 meters using SSB and RTTY. There will be two stations running simultaneously. QSL via G6NHU. For more details, see: <http://www.martellotowergroup/gp0pkt>
- **KH0, MARIANA ISLANDS** ~ Shuji, JA1FMN, will be active as KH0/JA1FMN from Saipan Island (OC-086) between October 13-15th. Activity will be holiday style on 17 and 15 meters using SSB and PSK31. He informs OPDX that if there is a request for 12 and 10 meters, he may operate on those bands. Operations will take place after 1800 his local time. QSL via his home call sign, direct, by the Bureau or eQSL.
- **P29, PAPUA NEW GUINEA (Update)** ~ An international team will visit five islands belonging to Papua New Guinea between October 19th and November 4th. Operators mentioned are Derek/G3KHZ, Hans/SM6CVX, Hans-Peter/HB9BXE, Eddy/K5WQG, Axel/DL6KVA and Non-ham Stig Nyman. The team will use the boat "M/V Barbarian", and start their travels from Kokopo in New Britain on November 18th, sailing via Kavieng to Emirau. The islands scheduled by the full team will be:  
 October 20-24th - Callsign P29VCX; Emirau Island (OC-103) in the St. Matthias IOTA Group. QSL via SM6CVX.  
 October 27-31st - Callsign P29NI; Tatau Island (OC-099) in the Tabar IOTA Group. QSL via G3KHZ.  
 November 2-4th - Callsign P29VPB; Lihir Island (OC-069) in the Lihir IOTA Group. QSL Manager TBA.  
 The main team will fly home on November 6th. However, Hans/SM6CVX and Stig Nyman will continue to Buka on the "M/V Barbarian", and plan to activate the following:  
 November 6-9th - Callsign P29VCX; Buka Island (OC-135) in the Solomon Island IOTA Group. QSL via SM6CVX.  
 November 9-12th - Callsign P29VCX; Manu Island (OC-205) in the Admiralty Island IOTA Group. QSL via SM6CVX.  
 Activity will probably be 40-10 meters using mostly CW with some SSB just like last year's activity
- **Z6, KOSOVO (WFWL)** ~ The big news this week has been the activity from the Republic of Kosovo. As this was being written, NOTHING has been announced yet from the ARRL's DXCC Desk on the DXCC status for Kosovo. The ARRL Great Lakes Division Director Jim Weaver, K8JE, informed everyone on September 19th: "Of interest to DXers is the current operation from Kosovo -- Z6OK. I want to ensure that everyone interested in QSOing this activity understands it does not qualify for DXCC credit. This is because Kosovo is neither a member of the United Nations nor does it have an ITU- issued callsign block. At this time, Kosovo does not meet the established requirements of the DXCC program. It is legal and fun to work the station, but as the situation currently exists, it will not count toward DXCC." During the past week, the OPDX Desk has been sending out a few special bulletins via the mailing lists and the NODXA Facebook page trying to keep everyone up-to-date. In short, activity by Z6OK has been seen on 40/30/20/17/15 meters on the DXCluster network. Currently, on the Kosovo's Telecommunications Regulatory Authority (TRA) Web page, under regulations of the "Amateur Radio Services" (which is a draft and can be downloaded) it does not provide authorization of operations on 80, 12, 10 or 6 meters. This can be viewed at: <http://www.art-ks.org/?cid=2,13,419&sq=amateur> Excerpts from press releases on the TRA Web page and (QRZ.com), state that the Z6OK callsign is issued to the new Amateur Radio Association of Kosovo, SHRAK, and will be active from new premises as soon as these are fixed. SHRAK President, Sabit, Z61AA, together with Ali, Z61DD, are heading these efforts. Many individual new licensees are scheduled to be operating at the new Z6OK station very soon. Also, individual visitor licensing is now in place, and the first visitor license was issued at a gathering hosted by the Administrators and attended by all new local hams as well as their instructors.

Please Note: This is only a *SMALL* part of: OPDX Bulletin #1080 LOG onto: [www.papays.com](http://www.papays.com) for the rest (Space permitting, only the parts relative to the time of distribution of The N.O.A.R.S. Log Were Included Here)
