Prez Sez

I just finished participating in the North American QSO party (NAQP). Although I am not in it to win it, I find these types of contests/events good for multiple things. Not only does it help with logging skills, for me that means conversion from ADIF to Cabrillo, and actually learning the inner workings of the format required but it can also help with learning your equipment and a reminder of the etiquette and rules we all know. With the bands packed QRM and splatter are rampant and available spacing nonexistent. It becomes important to use features in your rig you may not need at other times. Filters, noise blanker and RF vs

AF gain become useful to pull out that weak or sometimes not so weak station that you need. Using those filters and spacing options can help eliminate some of the QRM and help you make that QSO. One of the things I learned early on was having the digital noise reduction ready to quickly turn on/off can be an ear saver especially when someone else is tuning up over your possible QSO and they are 5,9+10. Another thing I noticed, and the first thing I fixed, was my quick memory banks. The programmed bands were not in any particular order. Not a big issue on a normal day but as I wanted to go seamlessly from 80 to 40 to 20 etc.

Continued on page 2

The Membership Meeting will be Monday, February 20 at 7:00 PM.

At North Olmsted Library, 27403 Lorain Rd. Coffee and donuts at 6:30 PM.

NOARS Repeater

The Basics of the NOARS Repeater, presented by the Repeater Committee: Carl, W8KRF; John, W8LYO; Pete, KE8NQK; Bryan, N8OOF

NOARS will send Zoom meeting information via email.

Nets

NOARS nets are Tuesday nights at 8 PM on 28.370 MHz, Wednesday nights at 7 PM on 146.700 MHz, PL 110.9, and Thursday nights at 8 PM on 146.700 MHz, PL 110.9. All licensed amateurs are welcome. Participation is encouraged and appreciated.

Continued from Prez Sez on page 1

I was actually having to go 80 to 21 to 7 to 10 and was clicking through to get where I wanted to be.

We had suggestions that mailing a check and a membership form made it difficult to become a member for some. We listened and coming soon you will have a new option to pay dues and become a member or renew a membership online. We are currently working on adding PayPal to the website as an option with an online membership form to make it easier for you.

Mark your calendars for the quickly approaching Winter Hamfest Sunday, March 12th, Lorain

Community College at 9am. We will also be offering On-site VE testing. For more information you can check out the website https://www.noars.net/?page_id=1062. Remember, if you are unable to attend the monthly meetings you can view the Zoom meetings in the Members only area of the website.

If you have any questions, suggestions or anything else, there are many ways to contact us, including the contact form on the website along with email addresses and social media accounts.

73

John, W8LYO

Vice President's Message February 2022

LOTA (Ladies On The Air) is a female-only net that meets on the NOARS repeater, 146.700 Tuesday evenings at 7PM. If you know a ham of the female persuasion, let her know about LOTA. We'd love to have her aboard. A

couple of men have offered to wear skirts so they can join us. Sorry guys, it's tempting, especially if you send a photo, but it's not quite the same.

Nets Enjoyed by Folks Checking into the Food Net, January 11

The topic of the Food Net was which nets are enjoyed by those checking in that evening. We ended up with quite a

list. Look for it at the back of this month's issue of the Log.

New Members January 2023

Eric Hatfield, KE8VZA of Strongsville

John Lopez, KE8WHF of North Olmsted.

Paul Sultan, KE8WHG of Olmsted Falls.

Harold Rankin, KE8WHM of Elyria

Bill Keppler, KE8WHP of Columbia Station

Welcome to the club! We are glad you are with us.

February 2023 Social Events

NOARS February Lunch

Tuesday, February 7. Monthly Lunch at **noon at the Golden Corral**, 1519 West River Rd., Elyria. If you like to talk and eat tasty food, the Monthly Lunches are for you. All are welcome.

March 2023 Social Events

NOARS Winter Hamfest

Sunday, March 12 from 9 AM – 12 PM EDST at Lorain County Community College, John A. Spitzer Conference Center, Reaser Grand Room, 1005 N. Abbe Rd., Elyria, OH. Just \$7.00 General Admission, children under 12 free. Six foot indoor vendor tables are \$10.00 each. For table reservation, contact: Carl Rimmer W8KRF at 216-256-9624 (before 9PM) or email at winterhamfest@noars.net. For more information see the flyer on page 18 or visit the Winter Hamfest page of the NOARS Website at https://www.noars.net/?page_id=1062.

Food Net, Flourishing Since 2019

Starting out as the Food Group with a name change to the Food Net, this net was started by Dave Fisher, KY8OSU and Elaine, KC8FOS on the NOARS repeater (146.700-PL 110.9) Wednesdays at 7PM. The first time we met was February 6, 2019, with Dave as Net Control. Check-ins were Tom, N8FDY; Dr. Jack, N8NDL; Carl, W8KRF; and Elaine, KC8FOS. Other check-ins that month were Baji, K8IIT; Amy, K8KSU; Russ, WB8UPA; Tom, N8CWF; Bill, N8WS; George, WA8YVF; Stephen,

N8WB. When Dave moved to Texas, Jeany, KC3QND took on the duty as NCS for the Food Net. The first nets were mainly about food with quick additions about other subjects. That changed over time to generally quick transmissions about food, with many other subjects, especially amateur radio, holding sway. If you haven't gotten on the Food Net, give it a try! You'll be glad you did.

Dr. Jack, N8NDL Donations to NOARS Winterfest

Dr. Jack, N8NDL, owner of COMPACTenna, will donate three prizes to the NOARS Winterfest

One large prize of a Non-Line-Of-Sight Base Station Antenna System consisting of:

Model 2M/440+ (COMPACTenna's 'Best') Antenna. <https://compactenna.com/#PH3> (\$119.95 value)

Model CompacCounterpoise Optimized Base Station Ground Plane Radials System
<https://compactenna.com/#PH2> (\$109.95 value)

Two COMPACTenna hats

Thank you, Dr. Jack, for your generous support of the NOARS hamfests.

February Birthdays

Bill Eyman, KE8DIF
James Laing, W8MCR
David Molseed, KE8MVS
Ron West, N8OD
Dennis Blair, KE8OQA
Dave Fisher, KY8OSU
Bill Sheehan, K2WJS
Bill Haupt, N8XWG

If your birthday doesn't appear here it's a good chance that it's not in our database. Please contact Carl, W8KRF so we can wish you a Happy Birthday!

NOARS January Lunch

Nineteen people, including newcomer Ron, N8OD, joined us for lunch. The monthly lunches are always the first Tuesday of each month at the Golden Corral in Elyria,

1519 West River Road, at noon. The food is tasty and camaraderie satisfying. We hope you can join us at the lunch in February.

Homebrewed or Built Items Made by NOARS 2M Net Check-ins

Below are photos of things built or altered by hams on the 2M net. Note the cabinet bought and altered by Tom, W8WLI. It swivels, giving access to wires behind. He drilled holes in the back of a bought desk for cables to go

through. We'd love to see whatever you've built or repurposed, related to ham radio, no matter how large or small. Send a photo and we'll put it in the Log. Thanks!

Tom, W8WLI: Cabinet

Tom, W8WLI: Desk

Bill, N8WS: QRP watt meter

Bill, N8WS: QRP watt meter

Elaine, KC8FOS: Fox Hunt antenna

Bill, K2WJS: Fox Hunt Yagi

Eric, KE8VZA: DualBand Dipole

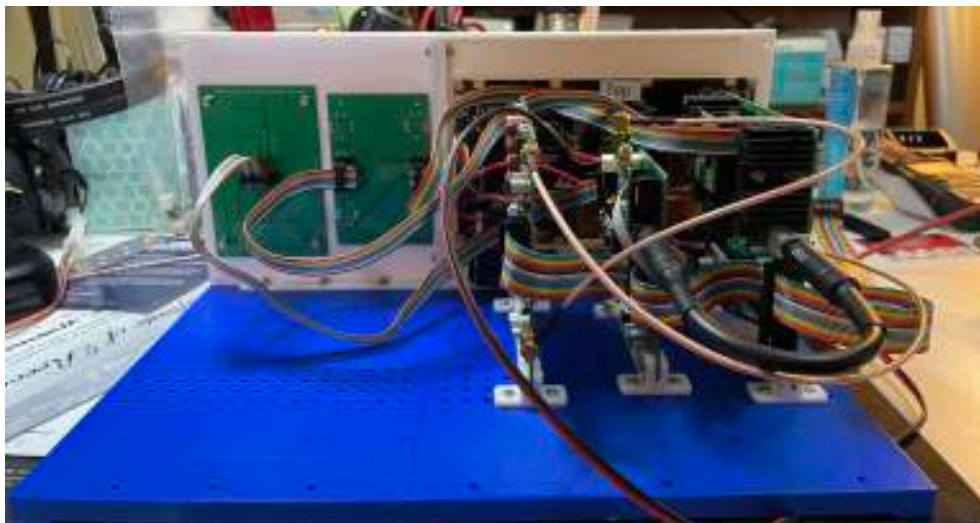

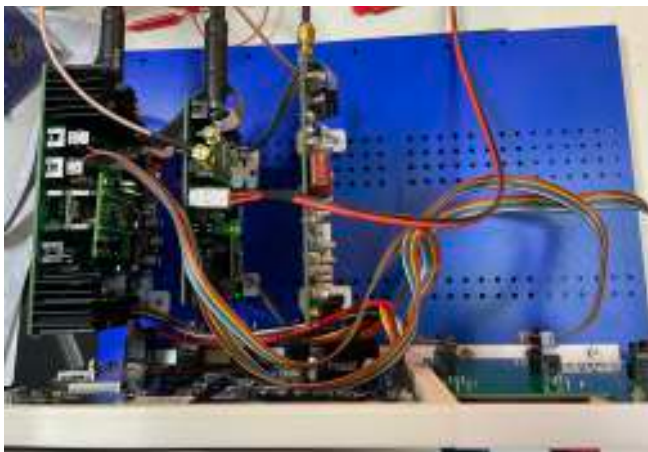

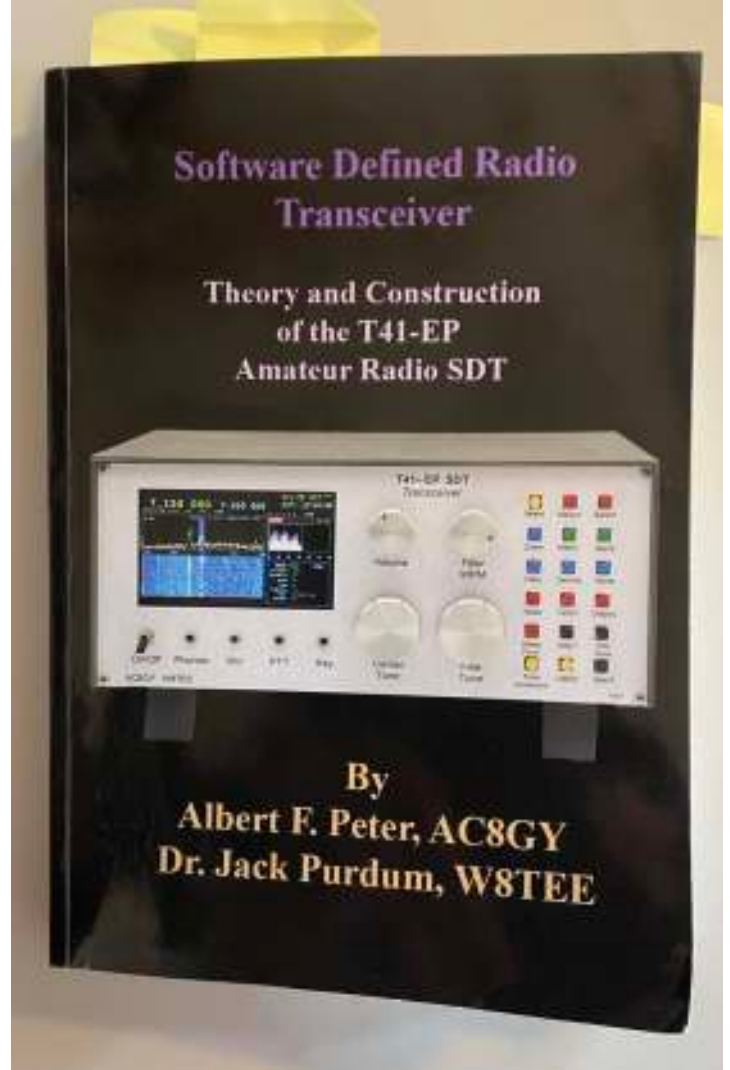

Mark, KE8TCE: Yagi

Halfway on the Journey to a Homebrewed Software Defined Transceiver

Tom, N8FDY is building a T41-EP SDT. At this point it can receive. His resource is Software Defined Radio Transceiver, Theory and Construction of the T41-EP

Amateur SDT by Albert F. Peter, AC8GY and Dr. Jack Purdum, W8TEE.

The Wadsworth POTA Machine Continues

Despite the cold, Ann, KA8ZEP and Dan, W8AJF, activated Milan and Willow Point Wildlife Areas and made a total of 133 contacts in January.

NOARS MEMBERSHIP MEETING MINUTES:

January 16, 2023

Submitted by Connie, K8CCS

Meeting was held in person at North Olmsted Public Library and via Zoom.

The meeting called to order by NOARS president John W8LYO at 7:00 p.m.

There were 20 people in attendance and 8 via Zoom for a total of 28.

Pledge of Allegiance

Introductions and roll call of all in attendance (in person/zoom).

Motion to accept minutes as published in NOARS log.
Motion made by Carl W8KRF; Second by Pete KE8NQK.
Minutes accepted.

COMMITTEE REPORTS:

Treasurer Report – Tom W8KYZ

Several thank you letters were received:

Second Harvest Food Bank for a donation made in December 2022.

Greater Cleveland Food Bank for a donation made in December 2022.

The family of Al N8CX (sk) sent a thank you for the donation to St. Luke's church in Al's memory. St. Luke's Evangelistic Parish sent a thank you letter for the donation in memory of Al N8CX (sk).

Expenditures since November meeting:

Windstream - \$150.50, repeater telephone hookup (\$75.25/month)

Greater Cleveland Food Bank - \$100

Second Harvest Food Bank - \$100

St. Luke's Church of Lakewood - \$100

Banquet expenses in December

Plaques - \$91.59

Gift Cards - \$150 given out at the banquet.

Yaesu FT 70D - \$169.68

Carl W8KRF was given a \$200 Gift Certificate to DXE (instead of a plaque this time)

Motion to accept treasurer's report. Motion made by Ann KA8ZEP; Second by Pete KE8NQK. Motion passed.

Parliamentary Business

The secretary position was vacated by John W8LYO who is now the president. Elaine KC8FOS nominated Connie K8CCS for the position of secretary. There were no other nominations.

A Motion to close nominations was made by Carl W8KRF; Second by Dan W8AJF. White ballot – the new secretary is Connie Sheehan K8CCS.

Property – Carl W8KRF

Nothing new. If you are a member of the NOARS club, there is equipment available to borrow. Anybody can borrow the analyzer, magnetic loop antenna or an FT100 C4FM transceiver that we used for Echo link.

Repeaters – Carl W8KRF

Nothing changed. We had a meeting to come up with a program for February about the repeater. What do people want to know about the repeater?

Website – Carl W8KRF

Renewals have been updated. The Members Only access to the website will be reactivated. If you are new, you will get an email with your user name with fake password. Use that to change your password for the Members Only access.

Membership – Carl W8KRF

Before tonight's meeting we had 69 members, either life or renewed or paid multiple years. Tonight, we have 12 renewals or new members. We now have a total of 81 members. We are down from 106 last year.

Website Committee is working on a plan to use PayPal for new and renewal members. Links will be put up on the membership page to renew or join. You do not need an active account with PayPal to use this feature, you just need a credit card. The committee will look into the ability to auto-renew dues. This might help eliminate some fall-offs of memberships.

Welcome to the new members!

Continued on page 13

Continued from MEETING MINUTES on page 12

Field Day – Carl W8KRF

A long way off, and we will discuss at future meetings.

Hamfest – Carl W8KRF

March 12, 2023

Radio Talk In – Pete KE8NQK

We currently have one table reservation from Burning River Traffic Net. Emails will go out to all the clubs in the region. We are trying to bring the attendance up from last year. Carl W8KRF has tickets for entry.

Looking for volunteers for the Hamfest. If you are interested, reach out to one of us. Need two people to work up front; Chuck K8CVM and Dan W8AJF will Emcee. We are also looking for donations. We have an ALFA Antenna - \$100 Gift Certificate (needs to be used in 30 days).

Social Committee - Elaine KC8FOS

Next monthly lunch is February 7 at noon at the Golden Corral on West River Road. You do not need to be a member of NOARS and you do not need to be a ham.

In spring, we will start the Fox Hunts. This is a great way to learn about propagation. A fox is a hidden transmitter. If you have the right kind of antenna, you can look for the hidden transmitter. Look for more information for the first Fox Hunt in April.

Also in spring, we will have a POTA Parks on the Air Party. The location will probably be at Findlay State Park. Bring your portable gear. We will activate the park and talk to people over the air. Ann KA8ZEP and Dan W8AJF have become “Mr. and Mrs. POTA”. They go out every month and have logged over 300 contacts.

Programs - Elaine KC8FOS

The Program Committee has asked the Repeater Committee to present some programs about the repeater. The repeater is the front door to ham radio and is vital to our health and vitality. Thanks to the Repeater Committee (Carl W8KRF, Pete KE8NQK, Bryan N8OOF, John W8LYO) for the upkeep on our repeater. We look forward to their first program in February about the basics of the various components of the repeater.

Nets – Jeany KC3QND

Nets have been fantastic. If you would like to try being the net control, contact Jeany KC3QND. Looking for suggestions for the food net. Tech nets are doing well.

VE Testing – Elaine KC8FOS

Seventeen candidates were at the VE test on January 7, 2023, which is more than we usually have. The graders were Glenn AF8C, Bob W800T Ron N8EGZ. From that test we have three new people at the January meeting: Eric Hatfield KE8VZA – General; Paul Sultan KE8WHG Tech; and John Lopez KE8WHF General. Next VE test will be at the Winter Hamfest and starts at 9:00 a.m.

Newsletter – Tom N8FDY

January 27 is the deadline for anything for the newsletter. Ads are rolling off. They drop off after four months. If you are doing something exciting, let us know and we will put it in the newsletter.

Sunshine – Tom W8KYZ

Bob Tome W8RET (sk) passed away about a week ago. He was a long time member of NOARS as well as a photographer. Carl W8KRF and Tom W8KYZ went to the memorial service. Carl W8KRF also attended the Air Force memorial grave site service. A motion was made by Carl W8KRF that a donation be made to Midview Baptist Church in the amount of \$100, second by Pete KE8NQK. Motion was passed.

Jim Bell K8SAF (sk) also passed away. He was not a member of NOARS but was very active on the NOARS repeater. No information regarding services other than at Dickens on Third Street in Elyria, Ohio.

Other Business

We received an email from the Livonia Amateur Radio Club for a Ham Swap in Livonia, Michigan on February 18, 2023 from 8:30 am to 1:30 pm. For more information: www.livoniaarc.com.

Motion to Adjourn meeting was made by Dan W8AJF; second by Pete NE8CQK. Motion passed.

Meeting Adjourned 7:39 p.m.

Presentation – Bob Plow. W8NNC “Everything You’ve Wanted to Know about CW, but Were Afraid to Ask”.

VISIT OUR HAM RADIO SHOWROOM TODAY!

Step inside our Showroom Monday through Saturday, 9 am to 5 pm. Or place your orders and pick them up at the curb. Here's how:

- Pick-up available from 9 am – 8 pm, Monday-Saturday and 9 am – 7 pm, Sunday.
- Place your order at DXEngineering.com or by calling 1-800-777-0703. All orders must be prepaid.
- Pull into a designated curbside pickup space in front of the Summit Racing Retail Store. You will need valid ID, your order number, and the physical credit card you used or Pay Pal receipt.
- Only the person who purchased the item may pick up the order.

We look forward to seeing you!
